

ATELIER 103 RIVE GAUCHE

PLAN

Your secret address in the heart of Paris

A former photography studio from the last century, the Atelier 103 is a quality apartment situated on the ground floor overlooking the courtyard.

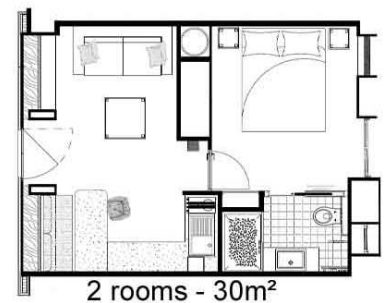

The beautiful décor is a harmonious blend of warm tones, Kenzo or Ralph Lauren fabrics and French furniture.

In order to preserve the character of the property, a selection of photographs from a private collection accompanies you during your stay.

This unusual property, with its very Parisian atmosphere, will allow you to discover the famous French *art de vivre* in a unique and intimate setting.
